
APPENDIX K

Oregon's Coastal Nonpoint Pollution Control Program: Five-Year Implementation Plan

Appendix K: Oregon's Coastal Nonpoint Pollution Control Program: Five-Year Implementation Plan

MANAGEMENT MEASURE AND REFERENCE NUMBER	ACTION	SCHEDULE	LEAD AGENCY
AGRICULTURE			
Overall program:	Implemented by SB 1010	Ongoing	ODA
Designation of Agricultural Water Quality Management Plans (AWQMP) management areas	Delineate AWQMP area boundaries and set schedule coincident with TMDL priorities	2000	ODA
	Execute AWQM Planning process, to meet local requirements under TMDL and other federal requirements	2003	ODA
Approval of AWQMPs			
Erosion and sediment control; 2.II-A	As indicated by a TMDL , specify as “prohibited” conditions which cause, or are indicative of, erosion in AWQMPs	2003	ODA
	Implement voluntary programs under water quality management planning, National Estuary Comprehensive Conservation Management Plans (CCMPs), NRCS programs, and others as described in states submittal	Ongoing	ODA Tillamook NEP, Lower Columbia NEP, NRCS
Facility wastewater from Large CAFOs; 2.II-B1	Regulate under state NPDES CAFO provisions	Ongoing	ODA
Facility wastewater from small CAFOs; 2.II-B2	As indicated by a TMDL. Specify as “prohibited” conditions, which cause, or are indicative of, uncontrolled wastewater discharges to waters of the state.	2003	ODA
	Implement voluntary programs under water quality management planning, National Estuary Comprehensive Conservation Management Plans (CCMPs), NRCS programs, and others as described in states submittal	Ongoing	ODA Tillamook NEP, Lower Columbia NEP, NRCS

Appendix K: Oregon's Coastal Nonpoint Pollution Control Program: Five-Year Implementation Plan

MANAGEMENT MEASURE AND REFERENCE NUMBER	ACTION	SCHEDULE	LEAD AGENCY
Nutrients; 2.II-C	As indicated by a TMDL, specify as "prohibited" conditions that cause, or are indicative of, nutrient discharge to waters of the state.	2003	ODA
	ORS 633.460	Ongoing	ODA
	Implement voluntary programs under water quality management planning, National Estuary Comprehensive Conservation Management Plans (CCMPs), NRCS programs, and others as described in states submittal.	Ongoing	ODA Tillamook NEP, Lower Columbia NEP, NRCS
Pesticides; 2.II-D	ORS Chapter 634	Ongoing	ODA
	As indicated by a TMDL, specify as "prohibited" conditions that cause, or are indicative of, pesticide discharge to waters of the state.	2003	ODA
	Implement voluntary programs as described in state's submittal.	Ongoing	ODA, OSU Extension
Grazing ; 2.II-E	As indicated by a TMDL, specify as "prohibited" conditions that cause, or are indicative of, sediment and nutrient discharge to waters of the state and/or reduce riparian vegetation such that stream temperatures or riparian habitat are compromised.	2003	ODA
	Implement voluntary programs as described in state's submittal.	Ongoing	ODA, OSU Extension, NRCS, SWCDs
Irrigation; 2.II-F	Applicable sections of ORS Chapter 537, 540, and 568	Ongoing*	ODA
	OAR Chapter 340, Division 56 OAR 690-215-017(3) OAR 690-410-060 OAR Chapter 630, Division 90	Ongoing*	WRD, ODA
FORESTRY			

Appendix K: Oregon's Coastal Nonpoint Pollution Control Program: Five-Year Implementation Plan

MANAGEMENT MEASURE AND REFERENCE NUMBER	ACTION	SCHEDULE	LEAD AGENCY
Overall Program:			
Provisions of the Oregon Forest Practices Act (FPA) were accepted as proficient for implementing all Forestry management measures			
Pre-harvest Planning; 3.II-A	FPA	Ongoing	ODF
Streamside Management Areas; 3.II-B	FPA	Ongoing	ODF
Road Construction/Reconstruction; 3.II-C	FPA	Ongoing	ODF
Road Management; 3.II-D	FPA	Ongoing	ODF
Timber Harvesting; 3.II-E	FPA	Ongoing	ODF
Site Prep. and Forest Regeneration; 3. II-F	FPA	Ongoing	ODF
Fire Management; 3.II-G	FPA	Ongoing	ODF
Revegetation of Disturbed Areas; 3.II-H	FPA	Ongoing	ODF
Forest Chemical Management; 3.II-i	FPA	Ongoing	ODF
Wetland Forest Management; 3.II-J	FPA	Ongoing	ODF
Additional Management Measures for Water Quality Degradation Attributable to Forestry:	Strategies being developed through efforts to avoid liability under the ESA	2002	NMFS, ODF
URBAN			

Appendix K: Oregon's Coastal Nonpoint Pollution Control Program: Five-Year Implementation Plan

MANAGEMENT MEASURE AND REFERENCE NUMBER	ACTION	SCHEDULE	LEAD AGENCY
Overall Program Urban management measures are to be implemented through state compliance with Section 303 and 319 of the Clean Water Act and through state assistance to local governments responding to the ESA 4(d) rule and recovery planning efforts.	Complete total maximum daily load calculations and urban load allocations for all watersheds in the CNPCP management area	???	DEQ
	Assist local governments in meeting provisions of the 4(d) rule for new development and TMDL load allocations: Complete Model Water Quality Development Code Incorporate urban Water Quality Management Plan (WQMP) provisions into revised statewide TMDL guidance document	2000 2000	DEQ, DLCD DEQ
	Assist local governments in participation in ESA recovery planning efforts	2001	DEQ, DLCD
	Develop state program for implementing Phase II- stormwater rules	2002	DEQ
New Development; 4.II-A	Complete Model Water Quality Land Use Codes	2000	DLCD
	Incorporate urban (WQMP) provisions into revised statewide TMDL guidance document	2000	DEQ
	Develop/amend OAR for Goal 5 and 6	2005	DLCD
	Develop state program for implementing Phase II- Stormwater Rules	2002	DEQ
Watershed Protection; 4.II-B	Implementation of Goal 14 for maintaining urban growth boundaries (UGBs) and/or allowing expansions with consideration of water quality impacts	Ongoing	DLCD
	Protection of natural landscape features inside and outside UGBs through various state programs described in April 1999 submittal.	Ongoing	DLCD, DSL
Site Development; 4.II-C	Complete Model Water Quality Development Codes	2000	DLCD
	Incorporate urban (WQMP) provisions into revised statewide TMDL guidance document	2000	DEQ
	Develop/amend OAR for Goal 5 and 6	2005	DLCD
	Develop state program for implementing Phase II- Stormwater Rules	2002	DEQ
Construction Activities; 4.III-A	Develop state program for implementing Phase II- Stormwater Rules	2002	DLCD

Appendix K: Oregon's Coastal Nonpoint Pollution Control Program: Five-Year Implementation Plan

MANAGEMENT MEASURE AND REFERENCE NUMBER	ACTION	SCHEDULE	LEAD AGENCY
Construction Site Chemical Control; 4.III-B	Complete Model Water Quality Development Codes	2000	DLCD
	Incorporate urban (WQMP) provisions into revised statewide TMDL guidance document	2000	DEQ
	Develop state program for implementing Phase II- Stormwater Rules	2002	DEQ
Existing Development; 4. IVA	Develop model urban TMDL implementation plan	2000	DEQ
	Develop state program for implementing Phase II- Stormwater Rules	2002	DEQ
New Onsite Disposal Systems; 4.VA	Implement provisions of ORS 454.655 , ORS 454.685, and OAR 340-71	Ongoing	DEQ
Operating Onsite Disposal Systems; 4.VB	Establish state standards for operation and maintenance under authority of ORS45.615(2) and OAR 340-71-120(4) and/or develop technical assistance/voluntary compliance program	2003	DEQ
Pollution Prevention; 4VIA	Implement state pollution prevention education programs	Ongoing	DEQ
ROADS, HIGHWAYS, AND BRIDGES			
Planning , Siting, and Development; 4.VII-A	<u>State and Federal Roads;</u> NPDES MS4 permit	2000	DEQ
	<u>Local Roads;</u> Complete Model Water Quality Development Codes	2000	DLCD
	Incorporate urban (WQMP) provisions into revised statewide TMDL guidance document	2000	DEQ
	Develop/amend OAR for Goal 5 and 6	2004	DLCD
	Develop state program for implementing Phase II- Stormwater Rules	2003	DEQ

Appendix K: Oregon's Coastal Nonpoint Pollution Control Program: Five-Year Implementation Plan

MANAGEMENT MEASURE AND REFERENCE NUMBER	ACTION	SCHEDULE	LEAD AGENCY
Bridges; 4.VII-B	<u>State and Federal Roads;</u> NPDES MS4 permit	2000	DEQ
	<u>Local Roads;</u> Complete Model Water Quality Development Codes	2000	DLCD
	Incorporate urban (WQMP) provisions into revised statewide TMDL guidance document	2000	DEQ
	Develop/amend OAR for Goal 5 and 6	2004	DLCD
	Develop state program for implementing Phase II- Stormwater Rules	2002	DEQ
Construction Projects; 4.VII-C	<u>State and Federal Roads;</u> NPDES MS4 permit	2000	DEQ
	<u>Local Roads;</u> Complete Model Water Quality Development Codes	2000	DLCD
	Incorporate urban (WQMP) provisions into revised statewide TMDL guidance document	2000	DEQ
	Develop/amend OAR for Goal 5 and 6	2004	DLCD
	Develop state program for implementing Phase II- Stormwater Rules	2002	DEQ
	Technical assistance offered to counties by ODOT	Ongoing*	ODOT

Appendix K: Oregon's Coastal Nonpoint Pollution Control Program: Five-Year Implementation Plan

MANAGEMENT MEASURE AND REFERENCE NUMBER	ACTION	SCHEDULE	LEAD AGENCY
Construction Site Chemical Control; 4.VII-D	<u>State and Federal Roads;</u> NPDES MS4 permit	2000	DEQ
	<u>Local Roads;</u> Complete Model Water Quality Development Codes	2000	DLCD
	Develop model urban TMDL implementation plan	2000	DEQ
	Develop/amend OAR for Goal 5 and 6	2004	DLCD
	Develop state program for implementing Phase II- Stormwater Rules	2003	DEQ
	Technical assistance offered to counties by ODOT	Ongoing*	ODOT
Operation and Maintenance; 4.VII-E	<u>State and Federal Roads;</u> NPDES MS4 permit	2000	DEQ
	<u>Local Roads;</u> Complete Model Water Quality Development Codes	2000	DLCD
	Incorporate urban (WQMP) provisions into revised statewide TMDL guidance document	2000	DEQ
	Develop/amend OAR for Goal 5 and 6	2004	DLCD
	Develop state program for implementing Phase II- Stormwater Rules	2003	DEQ
	Technical assistance offered to counties by ODOT	Ongoing*	ODOT

Appendix K: Oregon's Coastal Nonpoint Pollution Control Program: Five-Year Implementation Plan

MANAGEMENT MEASURE AND REFERENCE NUMBER	ACTION	SCHEDULE	LEAD AGENCY
Runoff Systems; 4.VII-F	<u>State and Federal Roads;</u> NPDES MS4 permit	2000	DEQ
	<u>Local Roads;</u> Complete Model Water Quality Development Codes	2000	DLCD
	Develop model urban TMDL implementation plan	2000	DEQ
	Develop/amend OAR for Goal 5 and 6	2004	DLCD
	Develop state program for implementing Phase II- Stormwater Rules	2002	DEQ
	Technical assistance offered to counties by ODOT	Ongoing*	ODOT
