

National Estuaries Week

Photo Contest 2018

NOAA Office for Coastal Management
coast.noaa.gov/nerrs

In celebration of National Estuaries Week, September 15 to 22, 2018, NOAA is hosting our fourth annual photo contest. Send us your best photos from a national estuarine research reserve, pictures that display education, research, recreation, beauty, and smiles within the reserve. We want to see them all! Winners will be chosen by a panel of judges and will be featured in our social media campaign during National Estuaries Week. Submit your photos under the following categories:

- Learn
- Work
- Play
- View
- Smiles – New this year. Send photos of you or someone else smiling in an estuary.

To Enter

Submit your images (minimum of 1200 pixels wide, no more than 10 photos) to OCM.NERRS.PhotoContest@noaa.gov. All images MUST include the following: photographer's name, short description of when and in which national estuarine research reserve the photo was taken, and what is shown in the photo.

Deadline

Photos must be submitted by August 31, 2018, to be eligible for the contest.

By submitting a photo, you are giving NOAA, the National Estuarine Research Reserves, and National Estuarine Research Reserve Association permission to use the photo for other purposes, such as within NOAA's photo galleries, on the coast.noaa.gov/nerrs website, for social media, and in other office publications. We will, of course, provide credit to photographers whenever their photo is used.

5. You are eligible to submit photos if less than 20 percent of your total income is from photography.
